“The fashion that concerns me is the fashion that explains the character of the people wearing it.”

„Mich interessiert Mode, die den Charakter der Menschen erklärt, die sie tragen.“

« La mode qui m'intéresse est celle qui révèle le caractère des gens qui la portent. »

Aloisius and Leopolda Bolhanseck, 2007
Personal work, exhibition; pencil
and fabrics on paper

→ Monforte Aristides, 2007
Personal work, exhibition; graphite,
oil and fabrics on canvas

“Paula illustrates the most perfect people, but also the truth they hide under their outfits – a sophistication that oozes both love and irony from its seams.”
